

DALI dimmer fd multi 1-24e

Art. No. 96150001

Technical data

IP20

LED

0-100%

Rated Voltage 10...28V DC (SELV), Power consumption 6.2A max, control inputs 1, control signal DALI, constant voltage, output 1, dimming frequency 240Hz/16 bit, Output voltage 28V, Output load 6 A, Short circuit protection, temperature range -20 to 45 deg C, dimensions 167 x 42 x 31, weight 90g.

Wiring Diagram

28V Output from Insta SNT ELI PSU (SELV)
